Cal OES INLAND REGION

Oroville Dam Spillway Scheduled Water Release, Butte County

On 03/31/19 at 1126 hours, the California State Warning Center was notified by the Department of Water Resources (DWR) that the Emergency Action Plan (EAP) for Oroville Dam High Flow Operations was activated. This is a precautionary measure only. No hazard or threat to the Oroville Facilities exists.

Per DWR as of [04/03/19 at 1639 hours](#):

- Due to forecasted storms, DWR plans to increase total releases to the Feather River to up to 30,000 CFS starting Friday, 04/05/19.
- Main spillway releases are anticipated to be up to 21,500 CFS starting Friday, 04/05/19.
- Oroville Spillway water release is going as planned.
- The Spillway is currently releasing water at a rate of [10,800 CFS \(cubic feet per second\)](#).
- The Hyatt Power Plant (at the base of the dam) is releasing 10,500 CFS
- Approximately 20,000 CFS is being released into the Feather River at this time.
- The outflow numbers are adjusted throughout the day as inflows fluctuate, but they will remain targeting 20,000 cfs for a total release until further notice.
- DWR will continue to notify local emergency management agencies and entities along the Feather River of significant changes in releases from Lake Oroville.
- Dam Safety will stay engaged with the dam owner throughout the water release and keep the CSWC up to date if anything changes.
- The CSWC will continue to monitor the situation and provide updates as they become available.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

- Nothing significant to report.

FIRE ACTIVITY

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Several weather systems will impact Northern California through the weekend.
- Hazardous mountain travel is expected Thursday evening through late Friday night with snow expected generally above 6000 feet.
- Gusty winds and thunderstorms are also possible Friday.
- Unsettled weather will continue early next week but with lighter precipitation amounts.

SOUTHERN CALIFORNIA

- A series of weak low pressure systems through Saturday morning will bring slow cooling, periods of gusty west winds in the mountains and deserts, and more clouds along and west of the mountains, with periodic light showers.
- Strengthening high pressure over the western states will bring dry weather with a warming trend for Saturday through Monday, with the first 100-degree days likely in the lower deserts and Coachella Valley.
- Another trough of low pressure moving inland through California will bring cooling and gusty winds next Tuesday and Wednesday.

Active Weather Warnings, Watches and Advisories by County:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

WEATHER KEY POINTS

04/03/19 - 04/09/19

Wednesday

- Other than a few lingering showers, Wednesday should be a relative break in precipitation
- Gusty winds will continue across the Southern Region
 - Difficult driving conditions are expected for high profile vehicles. Light, unsecured objects may become airborne, and minor tree damage is possible

Thursday-Friday

- A stronger and wetter storm system to bring moderate to heavy rainfall to northern and central California to end the week, with Friday the most likely day for heavy rain
 - Localized flooding possible across northern CA. Widespread debris flow flooding is not expected at this time.
 - Gusty winds are possible statewide with this storm, especially Thursday Night into Friday

Saturday-Tuesday

- A series of weak storms will move across the far northern portion of the state with mainly light precipitation expected. No significant impacts expected at this time.

Cal OES
GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-558, 03/29/19, 0851 hours:** Butte County Sheriff's Office, requested 2 HRD K9s for a Law Enforcement sensitive mission. Mission schedule for 04/05/19 at 0800 hours. Cal OES LEB canine coordinator is coordinating the request. **MISSION ONGOING**
- **2019-LAW-526, 03/27/19, 0830 hours:** Santa Cruz SO, requested 7 HRD canine teams to assist with a Law Enforcement sensitive mission. Mission scheduled for 04/06/19. Cal OES LEB canine coordinator is coordinating the request. **MISSION ONGOING**
- **2019-LAW-510, 03/27/19, 1915 hours:** Sacramento Sheriff requested Solano Sheriff to provide mutual aid for a dive recovery mission. On 03/26/19, a vehicle traveling on US 50 at Pioneer Bridge was involved in a collision. The vehicle traversed off the bridge into the Sacramento River. Due to the depth of the vehicle, and several identified hazards in the area, Sacramento Sheriff requested Solano Sheriff's Dive Team, specialized equipment, and personnel. On 03/27/19, Sacramento and Solano personnel conducted an assessment of the mission. It was determined that a specialized barge will be needed to safely conduct the recovery. CHP and Sacramento Sheriff are working in a Unified Command posture for this incident. Cal OES Law Enforcement Branch (LEB) Assistant Chief has assumed coordination of this incident, and scheduled an agency stakeholder meeting on 03/28/19. **Update, 03/29/19:** Sacramento and Solano Sheriff's dive teams will dive on 03/30/19 to locate and identify the truck, and attach marker buoys. The recovery phase will depend upon arrival time of an ordered barge & crane. **Update, 03/30/19:** Due to hazardous river conditions on 03/30/19, mission goals were not achieved. Efforts will continue on Monday, 04/01/19. **Update, 04/01/19:** Truck was located at the end of the day. Salvage divers will go down again on 04/03/19, to attach buoys. Once they secure the truck, the barge & crane will be requested. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOUTHERN-621:** Request for Caltrans District 7 rock slide blasting on a county maintained road. Yerba Buena between PCH and Yellow Hill Road. (On Scene)
- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
